FRAMEWORKS/SYSTEMS

Bootstrap, Visual Studio, Apache server, Linux, Wordpress, PowerBI, Tensorflow, Reactjs, Flask, Django, Nodejs, Heroku, Nuxt.js, Github, Vuejs, Zapier, Elastic Search, Apache Kafka, Redis

CODING LANGUAGES

Python, Javascript, C++, C, JAVA, PHP, Typescript

DATABASES

MySQL, SQLite, Mongodb, PostgreSQL

Github Stat's

Github Handle

@vishal2612200

- Selected for training of Github campus Expert
- More than 1000+ contribution on github till now.

2018 Contribution

202 Contributions

2019 Contribution

421 Contributions

2020 Contribution

~450 Contributions

Contributed Organization on Github

Tensorflow, CCEXtractor, Swaglyrics, Codeattack Community, Freshlybuilt

What I offer?

- Web Development
- Machine Learning
- Rest API Development
- Business Intelligence
- Search Engine Optimization.
- Graphics

Entrepreneurship

- Top-30 in Glide Accelerator across India.
- Top-20 in Delhi Regional's during Entrepreneurs 2020.

Education

G.B PANT GOVERNMENT ENGINEERING COLLEGE, NEW DELHI

B.TECH | Computer Science and Technology | 2017 - 2021

- Secured 1200 rank among 2 lacs students in IPU Entrance exam

TAXSILA PUBLIC SCHOOL, MEERUT

Intermediate and High School | 2014-2016

- 12th Class - 90.83%
- 10th Class C.G.P.A - 9.00
- Maths Club President
- Vice Captain Azad House

Contests

HACKATHON'S

Explore, Connect, Build

- Winner of NIIT SINUSOID Hackathon 2019
- Second runner-up of Hackrcdu Hackathon 2020
- Finalist of NEC-HACKATHON 2020 powered by Hackerarth.
- Finalist of Rackathon2.0 by Raukten India, powered by Hackerearth.
- Selected in Infosys Summer of ideas - Global Ideathon

COMPETITIVE PROGRAMMING

Practice, Compete, Discuss

- Under Top-50 in Data structure and Algorithm coding challenge 2019 on Hackerearth.

EXTRA POINTS

- More than 10+ Technical Events organized by me.
- Published more than 30 technical article on different website.
- 1000 programming challenge win on Sololearn platform

other work

- Freshlybuilt reached under 6k alexa rank in India
- Dragzon reached under 40k alexa rank in just 4 months
- Removed unwanted Malware
- Speed optimization for website
- Experience with Google Search Console and Google Ads

Leadership

- Lead Freshlybuilt team as founder
- Lead Hackathon Team at multiple event.
- Microsoft Student Partner
- Scaler Campus Lead
- Founding member of Codeattack Community
- Web-Development event head at Inceptum2k19
